DISCLAIMER:

Helmet-Based Ventilation Inc. (“we”, “us”, “our”) provides research materials and educational courses (collectively, “Services”). Our Services provide insight and instruction on how to use helmet-based, non-invasive positive pressure ventilation, and our Services shall not be construed as medical, financial, legal, or certified counseling advice.

You must be at least eighteen (18) years old to participate in our programs or Services. You must accurately represent your age when enrolling in our Services. False representation of your age to gain access to our materials or Services will be cause for immediate removal from the courses in which you are enrolled, and your access to materials, Services, and Websites will be terminated. Any payments made under such circumstances will not be refunded.

Our Services, including our Websites, videos, newsletters, blogs, and other content, provide clinical and research material. We take all reasonable efforts to ensure that we accurately represent that our Services may assist you and/or others. However, we do not guarantee that you will achieve certain results using any of our ideas, recommendations, or research, and nothing on our Websites or in our Services is a promise or guarantee in achieving certain results.

You expressly agree that your use or inability to use our materials and Services is at your own risk.

We offer no representations, warranties, guarantees, or results of any kind, verbally or in writing, regarding your developing knowledge of helmet-based ventilation.

You also understand that any testimonials, endorsements, or comments by our customers or users of our programs and Websites, including content, landing pages, sales pages or offerings, have not been scientifically evaluated by us. We offer no professional legal, medical, psychological or financial advice.

The information contained in or made available through our Websites (including but not limited to information contained in videos, message boards, comments, emails, text files, or chats) cannot replace or substitute the services of trained professionals in any field, including, but not limited to, financial, medical, psychological, or legal matters. You should regularly consult a doctor in all matters relating to physical or mental health. We and our licensors or suppliers make no representations or warranties concerning any treatment, action, or application of medication or preparation by any person following the information offered or provided within or through our Websites or courses. Neither we nor our partners, or any of their affiliates, will be liable for any direct, indirect, consequential, special, exemplary or other damages that may result, including but not limited to economic loss, injury, illness or death. You are solely responsible and accountable for your decisions, actions, and results in life, and by your use of the Websites or courses, you agree not to hold us liable for any such decisions, actions or results.
